

The National Show, Elmia in Jönköping

By Miranda Lysell

Judge Mariana von Limburg-Stirum, Finland and Supreme Champion Hereford, Munka Jackie ET together with Annika Harding and Miranda & Einar Lysell

The years second National Show took place in October. The judge was Mariana von Limburg-Stirum, Finland. This time there were 25 entries who took part in 8 classes. Yet again it was cattle from Bårarp who fought for the Supreme Champion title. This time it was 1678 Munka Jackie ET, Grand Champion Female and Bårarps Kasablanka, the Grand Champion Bull who fought for the honour. The winner was 1678 Munka Jackie ET a third calf cow, bred by Mr Brynolf Ragnarsson, owned by Einar & Miranda Lysell and shown by Miranda's sister from the UK, Annika Harding. Munka Jackie ET is by one of only two offspring in Europe (as far as we know) by Star OBF Bogart. Grand Champion Bull and Champion Junior Bull, 1½ year old Bårarps Kasablanka, owned by Mr Olle Larsson of the Oden herd and was shown in the Champion ring by Miranda Lysell, as Olles nephew, Anders Larsson showed herd companion Bond av Oden in the same ring.

Swedish National Championship in beef showmanship (all breeds) - Herefords take all!

Directly after the Hereford classes, it was straight on to the showmanship. There were 18 competitors in the ring and I'm not sure if one more animal would have fit in! 10 of them showed Herefords, including myself (Miranda Lysell) and my two sisters, Annika and Davina Harding from England who came over to help us out at the show. The judge Alwyn Armour from Northern Ireland was to place only three.

The winner was Annika Harding showing Munka Jackie ET. Second place was Lowa Göransdotter showing 834 GPH Lynette and third was me, Miranda, showing Munka Lady ET. This was more than I could comprehend! After the prize giving I congratulated Lowa and then threw my arms around my sister Annika and began crying of happiness!

Newcomer

Annika Harding is a total newcomer. She began showing dairy cattle only this year together with twin

having shown beet before, they both came over to help us out at Elmia and I gave them a crash course in showing just a couple of days before the show! I am so proud of both my sisters.

Making Sweden proud

As highest placed Swedish youth under the age of 20, Lowa Göransdotter, earned the honour of representing Sweden at the World Hereford Conference in Canada 2012. Lowa won a prize of 5.000SEK (aprox £500) sponsored by the Swedish Hereford Association, towards the cost of the airfare to Canada. It is probably fair to say that Lowa is our most successful youth handler over the latest years. According to her father, Göran Johansson, she knows more about the cows in their herd than he does. She is a real Hereford enthusiast and new generation Hereford breeder in Sweden.

Junior Showmanship

On the last day of the show it was the younger youths turn. There were two classes. Children up to 13 and 14 and over (must still be at collage, 18½ years). Jenny Hansson judged the younger children and there were 8 in the class. Only two showed Herefords, 10 year old Mika Friström showing Daffodil av Svanaholm competing for the second time, and my daughter, Christel Lysell who celebrated her 11th birthday at Elmia competed for the first time. Christel showed Älmestad Tracy Trix. Only one winner was to be picked and the rest shared 2nd place. Christel's little heifer got a bit tired after a while and lay down twice! But Christel made light of the situation and the judged switched calves between Christel and Sofia Bengtsson who had a Limousin. The judge said it was between Sofia and Christel but Sofia won. Both our Hereford girls did really well.

In the oldest class which I judged, there was only one Hereford entry, 17 year old Henrik Holmberg Larsson from Grellsbo Hereford. Unfortunately, just before the class entered the ring, I heard that Henrik had become sick! I really felt for Henrik, because I know how much he was looking forward to it.
